Uncompromising security for a changing world

Mobile Patrol Services

MSF patrols are conducted by uniformed officers with extensive training. Patrol officers are all properly licensed in their respective state of service and must pass additional steps as required during our background investigation. This includes a check and verification of the officers driving record from the respective state motor vehicle regulatory agency.

Patrol services available include:
- ❑ Dedicated vehicle on site.
- ❑ Checking of property perimeter, doors, windows, and lock verification.
- ❑ Patrol & maintain perimeter security.
- ❑ Conducting of security assessments.
- ❑ Strong visual deterrence of criminal activity.
- ❑ Observing for and escort off property of vagrants and trespassers.
- ❑ Parking enforcement and completion of citations and tow authorizations.
- ❑ Locking and unlocking of buildings or other areas at designated times.
